PRACTICAL AREA INFORMATION

LOCAL TRANSPORT

CAB / TAXI

We recommend to use **BlueBird** and always ask to use the meter they have installed. A taxi that does not have a meter is not a BlueBird.

You can ask for "Argo" in the local language.

Be aware that there are a lot of taxis that try to duplicate and look like Blue Bird as they are by far the most trusted taxi.

Reservations can be made via the Mobile App available in the App Store.

Also Uber operates in Bali.
